Sir:

The Examiner's attention is directed to the references which are listed on the attached Form PTO/SB/08A. Citation of these references is respectfully requested. A copy of non-English reference DE 197 13 606 C1 is enclosed, as well as an English abstract prepared by the European Patent Office. This English abstract and the description provided in paragraph [0004] of the specification serves as the concise explanation in English of this reference.

All of the remaining references were cited in the International Search Report ("ISR") which serves as the concise explanation in English of these references. With respect to DE 198 34 850 A1, which was cited as an "X" reference in the ISR, the enclosed page 2a of the translated annexes to the IPER also provides a concise explanation in English of this reference.
